Health and Beauty Body Treatment 〈和漢方美 エステラピーボディ〉

This treatment is the combination of an oriental-style treatment which involves gently warming your body using hot capsule gel that regulates your flow of qi and a western-style treatment which relaxes your mind and body. This will adjust your flow of qi to promote a virtuous cycle for your whole body's life force, blood, and colorless bodily fluids (the three elements that constitute an organism according to traditional Chinese medicine), improve blood circulation across the whole body, and bring deep relaxation. The finishing moisturizing powder containing pearl will leave your skin looking beautiful.

50 min. ¥25,000 / 80 min. ¥32,000 / 110 min. ¥38,000

Hanakasumi Body Treatment 〈花霞〉

A body treatment that provides a deeper sense of relaxation and refreshment as if you were in the mist of cherry blossoms. After performing peeling on your entire body using cream, we massage it with shea butter containing Asian scents such as lotus and violet.

60 min. ¥19,000 / 90 min. ¥25,000

Reflexology 〈リフレクソロジー〉

This treatment will improve the flow of your lymph and blood to promote the discharge of byproducts by using fingers to stimulate the area from the soles of your feet to your calf.

60 min. ¥13,000

Dry head 〈ドライヘッド〉

We will relax your mind and body by massaging from your back to your head using fingers to stimulate the area.

60 min. ¥11,000

Dry Massage 〈もみほぐし〉

We will release tension and tightness by massaging the surface of your body with fingers to stimulate the area. This treatment will greatly promote the body's inherent natural healing ability.
